

Continental Tire Street Machine Nationals in DuQuoin Postponed to 2021

DUQUOIN, IL (August 18, 2020) — As a result of continued concerns over COVID-19 and the restrictions in place in the state of Illinois, Bonnier Events has made the difficult decision to postpone the Continental Tire Street Machine Nationals, scheduled for October 9-11 at the DuQuoin State Fairgrounds in DuQuoin, Illinois to 2021.

Efforts continue and options are being explored to find a viable location for an alternate Street Machine Nationals event later this year.

Registered Participants will be receiving an email from the box office with the option to transfer their registration to a 2021 Street Machine Nationals Event or opt for a refund. Participants can find additional details and instructions in that email and have until Sunday, August 30, 2020 to make a decision.

Individual Spectator tickets to the Street Machine Nationals that were purchased online will be refunded automatically within 30 days.

The staff of the Continental Tire Street Machine Nationals appreciates your patience and support as we work through this unprecedented situation. We look forward to seeing you in DuQuoin in 2021.
